### Subject of the Statement

The undersigned producer/manufacturer confirms that the packaging and packaging materials delivered below comply with the requirements of Article 5 of Regulation (EU) 2025/40 (PPWR) and, taken together, do not exceed the lower limit of 100 mg/kg, particularly with regard to material composition, recyclability, labeling, avoidance of excessive packaging, and compliance with extended producer responsibility (EPR) obligations.

### Declaration of Material Conformity

The cardboard boxes, packaging and shipping films, PP straps, and EPAL and industrial pallets used by Intercal Wärmetechnik comply with Article 5 of Regulation (EU) 2025/40 (PPWR) and meet the defined limits for hazardous substances. The packaging is classified under PPWR Article 3 as tertiary packaging/transport packaging within the meaning of Article 3(7) of the PPWR. Intended for B2B goods transport and storage in industrial supply chains. Not intended for consumers; no food contact.

### Declaration of Personal Responsibility

The producer/manufacturer declares that the above information is, to the best of its knowledge and based on the information and documentation available to it at the time of signing, accurate and complete.

The relevant supplier declarations, test reports, and technical data sheets are on file with the company and will be made available to the competent market surveillance authority upon request. This declaration is reviewed and updated annually. The manufacturer undertakes to provide written notification should it subsequently become aware of any circumstances that could affect the accuracy of this declaration or compromise the conformity of the delivered products.
